Help Envision Future Housing in Maynard

The 'Housing Production Plan (HPP) Update' will build on the 2015 Maynard HPP to identify new housing challenges, overcome barriers to creating housing options and shape the town's housing goals for the future

MAYNARD – Are you concerned about a lack of affordable housing options in **Maynard**? Are you struggling to stay in your home or having trouble finding a new home that meets your needs? Do you have older children that would love to raise their kids in town? Do you wonder where your parent's next move will be? Have your own housing needs or goals changed since the pandemic? We want to hear what you think about these important questions and how they can be addressed in the update to the Maynard Housing Production Plan.

Join MAPC, Town staff, members of the Board of Selectman, Planning Board, and the Affordable Housing Trust for the first forum on **Wednesday, December 9, from 5:30 – 7:00 PM**. Due to public health safety concerns, we will be having this meeting on Zoom. However, the format of the meeting will be interactive and there will be several ways for you to offer your input.
